ARVIKA IP44 E27 MAX 60W BK

Wall luminaire

The traditional Arvika wall luminaire with its smooth steel body and large glass dome is brimming with nostalgia and brings to mind the yards of old. The Arvika is ideal for lighting facades, outdoor entrances and corridors. The model can be combined with the bollard and wall luminaires in the Kartano series. The bulb is very visible inside the Arvika lamp, which means that you can significantly affect the mood and luminosity by choosing the right bulb.

Arvika Outdoors wall luminaire No dim; IP44; Protection cl. I; LED exchangeable; Ending; 3x2.5mm²; Housing st; Colour bk; Cover Glass transparent
