IP44 E27 GLC ANT H900

Bollard luminaire

Kallio bollards are ideal for lighting pathways and plantings in the yard. The splash proof body of the upright Kallio light is made of stainless steel. You can choose between two colour and coating options for the body: grey stone coating or powder-painted anthracite grey with a matte surface. The tempered glass dome disperses the light beautifully. Install together with a concrete base and a support tube (4107058), or choose a ground support tube (4107104) that can be sunk directly into the ground.

Kallio Outdoor luminaire IP44; Protection cl. I; LED exchangeable; Ending; 3x2.5mm²; Housing st; Colour ant; Cover Glass transparent

IP44 E27 GLC ANT H900

EC000301

Mounting	
Degree of protection (IP)	IP44
Connection type	Screwed terminal
Type of luminaire	Bollard luminaire
Number of poles	3
Conductor cross section (mm ²)	2.5
Type of wiring	Ending

Structure	
With lamp	No
Colour housing	Anthracite
Material housing	Stainless steel
Material cover	Glass transparent
Lamp type	LED exchangeable
Suitable for number of lamps	1
Lamp holder	E27
With base plate	No
Highest energy efficiency class of the exchangeable	A++

Dimming and control	
With movement sensor	No
With light sensor	No

Photometric data	
Colour temperature switchable	No

Lifetime and capacity

Measurements	
Length (mm)	104
Height/depth (mm)	900
Width (mm)	140

Electrotechnical data	
Voltage type	AC
Type of control gear	Not required
Nominal voltage (min) (V)	220
Protection class	I
Suitable for lamp power (min) (W)	1
Nominal voltage (max) (V)	240
Suitable for lamp power (max) (W)	60
