Dimmable decorative lamp with antique finish, warm light

The antique-finished LED decorative lamps in the Amber series create a distinctive and atmospheric ambience at home. Dimmability is indicated by the DIM symbol on the packaging. Use only an LED-compatible dimmer. The omnidirectional, amber-tinted glass bulb emits warm and soft light also towards the base. Combined with a stylish lamp cord, the lamps make a striking feature even without a lampshade. Technical specifications are clearly presented on the packaging.
