

FIORA LED PLANT E27 10W/840 WH

Give your house plants some extra light in the dark of winter or whenever they cannot get enough sunlight from the windows. Freely place the Fiora LED grow lamp to the ceiling of the room. Mounting is easy: plug the Europlug cord to an outlet and hang the lamp in the ceiling above the plants. The 4 000 Kelvin light of the LED is a pleasant hue of white and the lamp's high gloss reflector disperses the light evenly. The irradiance of this Airam LED lamp is specifically fine-tuned to the frequencies that plants require.

Frame made of polycarbonate. Colour: white. Bulb 10 W E27 LED grow bulb 4 000 K. Colour rendering index: 80-89. Ceiling mount to a power outlet, ceiling cup. Europlug, cord 3 000 mm, on/off switch on the frame. <https://www.youtube.com/watch?v=a2CCWeeFtY>

Airam LED Plant lamp 4711773 E27 10W 800lm 2300cd 30D 15 000h included.

Material	BODY MADE OF POLYCARBONATE, HIGH-GLOSS REFLECTOR
Coupling	EURO PLUG, 3M COUPLING CORD, CEILING CUP, ON/OFF SWITCH
Mounting	CEILING MOUNT

LED-module luminous flux (lm) 800

LED-module lifetime L70B50 15 000H

PRODUCT CODE	GTIN1	P x K x L	TYPE OF PACKAGING	PRODUCT FAMILY
FIORA LED PLANT E27 10W/840 WH				
4118787	6435200228246	140 x 175 x 140	Shelf packaging	FIORA

TECHNICAL DATAS (ETIM)			
ETIM class	EC001743	Pendant length (min) (mm)	200
Energy efficiency class	A+	Colour housing	White
Reflector	High-gloss	With lamp	Yes
Type of dimming	Not dimmable	Protection class	I
Voltage type	AC	Outer diameter (mm)	140
System power (W)	10	Highest energy efficiency class of the exchangeabl	A++
Height (mm)	175	Lowest energy efficiency class of the exchangeable	E
Degree of protection (IP)	IP20	Energy efficiency class of the provided exchangeab	A+
Material housing	Plastic	Rated life time L70/B50 at 25 °C	15000
Suitable for number of lamps	1	Effective luminous flux (lm)	800
Lamp power (W)	10	Lamp type	LED exchangeable
Lamp holder	E27	Colour temperature (max) (K)	4000
Width (mm)	140	Colour temperature (min) (K)	4000
Nominal voltage (max) (V)	240	Colour rendering index CRI	80-89
Nominal voltage (min) (V)	220		
Length (mm)	140		
Pendant length (max) (mm)	3000
