Inside Sky RGB

Lumlyx RGB Sense is a unique lighting solution that combines optimal light for work areas, passages or general areas as well as a unique illusion of nature.

- Distracting feeling of nature
- Promotes relaxation
- Welcoming
- Correct color reproduction
- Harmonic light flow
- Daylight balanced

Lumlyx RGB Sence can be mounted in a suspended ceiling or can be hung from a fixed ceiling using wires. The fixture lifts the room and gives a welcoming and energetic feeling. A perfect piece of furniture for dynamic and creative meetings, an obvious gathering place.
